#### General Specification

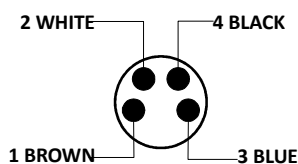

|                           |                            |
|---------------------------|----------------------------|
| Rated Operational Voltage | 30 V                       |
| Current Rating            | 3A                         |
| Insulation Resistance     | $\geq 100 \text{ M}\Omega$ |
| Temperature Range         | -25°C ... +75°C            |
| Degree of Protection      | IP67                       |

#### Material Specification

|                 |                     |
|-----------------|---------------------|
| Grip Material   | Nylon 66            |
| Contact         | Cu-Zn               |
| Contact Plating | Gold Flash          |
| Contact Carrier | Nylon 66            |
| O-Ring          | Neoprene            |
| Grip Colour     | Black               |
| Termination     | Screw               |
| Pole            | 4                   |
| Cable Gland     | PG5                 |
| Coupling Nut    | Brass Nickel-plated |

All dimensions are in mm.
