Transcend is a global company with offices around the world, thus we are able to serve all the major markets and provide superior quality of service to our customers. Transcend is a strategically integrated Hi-Tech company, not only do we design, develop, and manufacture our branded products, but we also market and sell our own devices. Transcend has a very successful retail store chain in Taiwan and after we launched our initial foray into e-commerce in May 2000 our on-line sales have grown exponentially.
